

The Hyatt parking garage is still under construction. Valet parking is \$10 or you can park one block away in the general public parking area at Gene Coulon Park, which is a quick 1/4 mile walk from the venue.

- For general parking (**red lines**), enter off Lake Washington Blvd N. and keep to your right. You will find Gene Coulon Memorial Beach Park. There are two available parking lots. Either will be open to the public until 8:00pm and will lead you to the venue. General parking is free to the public. The **blue line** is the walking path from these parking lots.
- For valet parking (**purple line**), enter off Lake Washington Blvd N. and keep left. Travel around the Bristol apartments until the road goes no further. You cannot miss it.
